# Financial Wellness Self-Assessment

The purpose of this self-assessment is to help you think about what financial wellness means to you, identify your biggest financial stressors, and begin to think about your personal goals or priorities. This tool is for you, but sharing with your Peer Facilitator what you find out may help you clarify your concerns, goals and priorities.

We encourage you to fill this out at your own pace. Thinking about financial issues can be overwhelming. Remember that you are not alone in this. Reach out to your Peer Facilitator or someone you trust if you feel stuck or need support.
